Who would like more  
payment options?

We hear ya!

## Introducing PrePay

We understand that you cannot always be financially prepared for an upcoming vet visit, especially at the time of an unexpected emergency. That's why we have now introduced PrePay!

This service is designed to allow you to pay monthly instalments *in advance* to your veterinary account, giving you peace of mind knowing that your future vet bill will be partly or completely covered.

The PrePay service allows you to be worry free, is hassle free, and best of all, there are no fees or interest. You can contribute as little or as much as you like, and withdraw your unused instalments *whenever* you like.

Take the  
pro-active approach  
to your pet's healthcare  
and wellness

## How can PrePay work for you

**Routine visits:** We encourage all pets to have an annual health check and vaccinations, to keep them healthy and happy for many years to come. PrePay allows you to budget for these visits, for parasite control or any ongoing medications.

**Emergencies:** During times of emergencies or unexpected visits, you can breathe a sigh of relief knowing that this special fund dedicated to your pet is there to help.

**Operations:** Surgery can sometimes be a costly procedure. Whether it be an unexpected orthopaedic operation or a routine desexing, your PrePay account can assist in taking the bulk cost off this visit.

**Pensioners & Healthcare card holders:** This service ties in with Centrepay, a free service provided by Centrelink, allowing payments to be made to businesses directly from your Centrelink payment. A nominated deduction can be automatically made to your Fletcher Veterinary Practice PrePay account, worry and hassle free.

## How to set up PrePay

Talk to our nurses about setting up a PrePay account with us. We will provide you with the necessary account details to pay your monthly instalments into, help you to work out how much to budget for your pet, and if applicable, how to organise Centrepay.

The payments can be made via direct debit or by credit card.
